

## ATS Mechatronics joins Confindustria Udine Association

According to the decision of the Presidential Council of the Association, ATS Mechatronics has been accepted as a member of the "Confindustria Udine" and assigned to the Metal Industry Group.

Confindustria Udine is the point of reference for industrial companies and their activities connecting them with public authorities and social partners. Today this role gets even more relevance as competitiveness is linked to innovation that provides key benefits to face the challenges of the global market.

With its parent company "Automazioni Industriali Capitanio" in Brescia, AIC Group has been part of the Confindustria for many years, sharing values and expertise to assist the growth of the industry.
